Please note: For away games buses usually depart between 4:00 & 5:00 p.m. depending on distance.

Competition departures & arrivals vary drastically depending on location of contest.

Please fill out a Chaperone Background-Check Consent form, have your picture taken for i.d. badge, fill out Chaperone Medical Info form.

Thank you for volunteering to chaperone this year. For home games we will need chaperones in three separate areas and for away games there are two areas we will need you. Please check the following areas you will be available to help us out. Thanks again for your support!

_____ **Area 1:** Ride the bus, take "roll call" on the bus, bathroom monitor during breaks, fun attitude required.

_____ **Area 2:** Sit along our "roped off" area, to protect the students & instruments from spectators, put bleacher covers in place and roll them up after the game, additional bathroom monitors when needed.

_____ **Area 3:** Welcoming other bands to our stadium (*during home games only*), set up water coolers for visiting bands, be there when they arrive to clap & cheer when they enter the stadium and assist in getting them into the stands, check with them after half time to see if they need anymore water.
