

Houston County High School Band Class Information!

Attention: Rising 9th Graders

What: Band Class placement

When: After your school's Spring Concert. May 18th -31st

Where: Will be held at your middle school

Why: We have to place each student in one of our 4 band classes and we can't do that unless we hear you play

What do I need to PLAY!:

1. **Scales:** It's really not too bad☺.
2. You can use your Scales Sheet! (we will provide you with a sheet)

How do I get points?:

Simple. The more you do the more points you get!

Remember!

You do not have to do everything on the sheet, but the more you scales you attempt the better your score will be. If you can't play 2 octaves only play one octave.

Percussion: You have the special Saturday camps listed on the calendar for Drumline!
