## SUMMER PRACTICES 2009

\*\*\*The practices during the summer are **highly recommended**. If you are in town, please make every effort to attend. I understand that most of you have already made family vacation plans or church camp plans. That is fine, just let me know when you will be absent and we can let you know what you missed. If you have problems getting a ride because your parents are usually working during the day, we can try to work out car pools with other members.
