

Football Game Information

Game Schedule:

All Football games are posted on the band calendar. Please check that post for dates and locations.

Home Games:

All Home games will originate at the school with the band room opening at 5:30 pm. Barring transportation issues; we will depart for the stadium at or about 6:00 pm. All home games begin at 7:30 pm with the band performing pre-game around 7:15 pm. Most home games conclude around 10:30 pm and the band usually performs a post game show. This will have the band arriving back at the school around 11:00 pm. Students that are in charge of voluntary stadium clean up will return around 11:45 to midnight depending on the size of the job.

Away Games:

Once again, away games originate at the school. The band room stays open after school for those students that need to remain at school rather than go home and come back. Games at Berkmar and Coffee County will require students to eat at the school. We will provide pizza or sandwiches for students at school prior to our departure.

Departure times for away games depend on the arrival of our buses. Buses must run their regular routes before taking the band to ballgames so departure times vary a little but usually 5:00 pm is a target departure time. Return times will vary depending on distance.

Return Times:

Berkmar: 12:30 am

Colquitt Co: 12:00 am

Tift Co: 12:00 am

Coffee Co: 12:30 am

Directions to games will be posted on a separate information sheet.
